Dispute Resolution Training & Experience

- Arbitrator, Kuala Lumpur Regional Centre for Arbitration (KLCA) and Shenzhen Court of International Arbitration (SCIA).

- Domain Name Panelist, Asian Domain Name Dispute Resolution Centre (ADNDRC)

- Steering Committee Member, European Union Academic Programme in Hong Kong (EUAP)

- Dr. Julien Chaisse is Chief Counsel and Director of World Trade Advisors International Trade Law Group. He serves as an adviser to major international corporations, including foreign governments, biotech companies, technology and manufacturing based companies, and natural resource companies. Julien's practice focuses on a broad range of arbitration, litigation, government, and multi-jurisdictional legal matters particularly in the areas of foreign investment, international trade, green technology, biotechnology, hotels, and public utilities.

- Dr. Julien Chaisse advises local and international clients on a diverse range of matters including international economic law, including treaty negotiations, investment and trade litigation.

- Julien teaches international law of foreign investment and transnational legal problems law at the Chinese University of Hong Kong. Before joining academia, he served in New Delhi with the French Ministry of Foreign Affairs. Dr. Chaisse is extremely active within the international trade law arena.
